

29th Annual Super Cruise

FEBRUARY 12 - 19, 2023 CARNIVAL CELEBRATION

IMPORTANT TRAVEL & CRUISE INFORMATION

You are being provided with a travel wallet which will contain almost all your pre-departure cruise information. As has been the trend, Carnival issues "E-Docs" We are advising you that you should follow the instructions outlined on the separate enclosure contained in this wallet for Pre-Registration and printing of your Carnival Celebration document pages, boarding passes & luggage tags. PLEASE review the instructional information page that pertains to Pre-Registration and E-Documents.

PLEASE REFER TO THE "HAVE FUN – BE SAFE" PAGE AT WWW.CARNIVAL.COM for the latest news regarding sailing protocols.

REMEMBER: CARRY YOUR IDENTIFICATION WITH YOU!

Valid Passport or Passport Card is the recommended form of Identification. State-Issued Birth Certificate + Government issued Photo I.D. are also accepted (names must match on both documents) Married ladies without a Passport in their married name will need to use a birth certificate + photo I.D. BUT you are advised to take a copy of your supporting documents (marriage/divorce paperwork showing your name changes). Non-U.S. Citizens must carry a Passport of the country from which you hold citizenship. Those without correct identification risk being denied boarding with no compensation from the cruise line. Your I.D. has to match the name on your cruise booking.

If you made Hotel arrangements, please refer to whatever confirmation was given to you when you made your booking. We are not provided with booking details from any hotel therefore, we do not have your confirmation information. If you are flying into the Miami Airport and are staying at any hotel in the area you will find transportation easy and plentiful (taxis, shuttle vans, etc).

Most hotels in the Miami area will offer transportation options to the Port of Miami and/or assist with shuttle options on Feb 12th. Please inquire directly with your hotel. For information and parking details about the Port, visit: www.miamidade.gov/portmiami/cruise.asp Additional parking options can be found if you search the Internet with the phrase "Parking Port of Miami" – you will find several low cost options, however, we have no personal experience with any of these facilities and recommend that you use your best judgment if considering off-site parking in the area.

February 12th – At The Pier

PORT NOTE: Arrivals at Port of Miami are dictated by the boarding time each guest is assigned after Registration. If you arrive too early, you may be denied access. You will not be able to enter ship terminals until this area is cleared of departing guests. This is intended to control the crowd flow and expedite the check-in process while addressing current protocols. Check-in generally begins between 11:00am and Noon, therefore, if you have hotel reservations the night before, you should plan to depart your hotel accordingly.....(sleep late, relax with friends, have breakfast, etc., especially if you have a later cruise check in time) Note that, if you have friends with an earlier time than

you do, you will not be able to join them at their designated time slot – know that the Port staff is very firm with this policy.

When you arrive at the Pier, give your luggage to Port Baggage Handlers. BE CERTAIN THAT LUGGAGE TAGS ARE ATTACHED! If you need more tags, the porters have generic tags available. Baggage handlers work for the Port and not for Carnival specifically and, like porters at airports, they anticipate a gratuity for their service. Once at the terminal please follow the directions of cruise line Agents and Security Personnel for security screening and Check-In. If anyone needs assistance such as a wheelchair to aid at check in and in the boarding process, please ask a Port Agent to help you. Wheelchairs belong to the Port and will not be loaned for the duration of the cruise. Should you require a wheelchair or scooter for your cruise you may inquire at: www.scootaround.com or www.specialneedsatsea.com – These are two of the more reputable companies that arrange assistance & medical supplies. If you are considering a rental, you need at least two weeks' notice; we suggest you do it now.

DOWNLOAD THE CARNIVAL HUB APP – Free App available for smartphones. Find out more about the Carnival Hub App and how it will enhance your cruise experience. www.carnival.com/shipboard/funhub/funhub-landing

ONBOARD CARNIVAL CELEBRATION: Once you've boarded you may not have access to your cabin until later in the afternoon. Take this time to come to the SUPER CRUISE GROUP EVENTS Location (Punchliner Comedy Club) to collect your Super Cruise Info Kits & T-Shirts as well as the opportunity to obtain Side Board tickets, etc. Lunch will be served in the Lido Deck buffet restaurants and dining outlets throughout the ship. A copy of the "FUN TIMES" (daily calendar of events & news) is available in the Guest Services lobby (as well as being available on the FunHub App) Sometime during the afternoon, your Cabin Steward will come to your cabin to introduce him/herself and familiarize you with your stateroom's features (thermostat, telephone, safe, t.v., life vests, etc). Your Steward will confirm how your beds are prepared for sleeping (all cabins have two twin beds that make up into a king), when you'll want stateroom service, if you'll need ice, extra pillows or towels, etc. The mandatory Muster Drill is conducted differently than it has been in the past. Follow the onboard instructions to report to your Muster Station during this first afternoon. You'll

review the process with a member of the ship's crew and will be instructed to view the informational segment on your cabin television. Your luggage will be delivered to your stateroom sometime during the late afternoon/early evening. Dress code on this first evening is casual.

CRUISE CARD: Upon check-in you will receive your Carnival Sail & Sign CRUISE CARD. This will serve as your Identification Card, Cabin Key and Charge Card. All purchases, miscellaneous charges, casino advances, bar charges, etc., will be applied to this card. You will be asked to present this card whenever you depart and return to the ship. If you are bringing Carnival Gift Cards to apply to your cabin account, these are to be taken to Guest Services to post to your cabin. Be aware of account balances – any "left over" (unused) funds on gift cards can only be refunded to you by Carnival in the form of another gift card that they will mail to you. Should you have a credit balance we recommend you take a casino advance (or go shopping!) so that you can use up the remaining funds.

DINING: Because of the overwhelming popularity of Your Time (open sitting) Dining, we have smaller numbers on traditional Main and Late dining. Carnival's Dining Team handled our group dining differently than in the past and provided us with mainly large tables (6 & 8 capacity). We accommodated friends traveling together to the best of our ability and those who provided advance requests to us were, of course, seated together. Dining has been finalized by the ship and cannot be modified at this time. Your table assignment will appear on your Sail & Sign card. Should you want to amend your dining, you should seek out the Maitre'd or his/her assistants on the ship – adjustments can be made based on availability and the staff will accommodate you based on that availability.

Super Sunday – Super Bowl LVII

Our group will view the Super Bowl in the **Grand Spectrum Theater (main entrance, forward Deck 6)** You are invited to join us here. Additionally, the Game will be shown in various locations on the ship including the Seaside Theatre on Lido Deck, the Pig & Anchor (at Summer Landing), on the various screens in the Casino, etc. ALL PRIZES – The Big Grid and Super SideBoard prizes - will be distributed by the Super Cruise Prize Patrol Crew. Prizes that remain uncollected will be awarded to winners at our Cocktail Party.

Hospitality Desk, Group Cocktail Parties, Etc.

A Hospitality Desk has been arranged for several days onboard the Celebration. Staffing and desk hours are listed on the "Game Plan." There will not be someone at the desk round-the-clock and we chose days/times that should not interfere with your going ashore at Ports. Should you need a staff member outside of these times, inquire with Guest Relations who can phone or message us. "DING DONG" Daily Lottery Tickets are sold as per the times & days listed on your "Game Plan" (see next section). These tickets are only sold at the hospitality desk on those designated days. Please see "Game Plan" for more details.

Super Cruise "Game Plan" and "Game Day Game Plan"

Our GAME PLAN lists all group events, parties, ticket sales and locations plus other group related news. Please note times and dates for Ding Dong ticket sales and LCR games. Because our events contain cash transactions, we must conduct these events in a private location. Our "GAME DAY GAME PLAN" highlights our Super Bowl Prizes including the Big Grid & Sideboards. We think you'll find the Game Plans very helpful in reviewing our Group events and exclusives! **NOTE:** If you have a later boarding time but still wish to obtain Sideboard tickets and/or Ding Dong tickets, make it a point to visit our dedicated lounge before you start exploring the ship or your cabin. Sideboards are enormously popular and can sell out. Game Plan & Game Day Game Plan will be available on EMBARKATION DAY at our designated lounge, Punchliner Comedy Club.

"LCR": We have special locations arranged for our ship games and, as always, LCR is restricted to only Super Cruise guests. Other ship guests are not eligible to play. (see special insert provided)

You will also receive **COCKTAIL PARTY INVITATIONS.** You will need these invitations to gain admittance to our private parties. **DO NOT FORGET: PRINT YOUR NAME ON THE INVITATION IN ORDER TO BE ELIGIBLE TO WIN PRIZES!** We regret that Super Cruisers may not bring newly made onboard friends to our parties.

Going Home

An important Departure Talk hosted by cruise staff will be televised on your cabin television. Towards the end of the cruise, this informative segment will air almost continuously. You will learn the procedures concerning luggage handling, customs & immigration, tipping, settling your cabin account, etc. If you have early flights on Feb 19th you may want to take advantage of the self-assist baggage option. This will permit you to be among the first wave of guests able to disembark the ship – BUT, you must be able to carry every piece of your luggage on your own. Information will be provided in greater detail on the ship. If you think this option is right for you, be sure to inquire at Guest Services. There will not be a special group get-together to review going home procedures; this is handled solely by the cruise staff. PLEASE CONTINUE READING OUR "SPECIAL NOTES" page which has additional and, we believe, helpful items!

PLEASE CONTINUE READING OUR "SPECIAL NOTES" page which has additional and, we believe, helpful items!

Thank you for your kind attention! Bon Voyage!
